9. Additional Information

[24 CFR Part 903.12 (b), 903.7 (r)]

A. PHA Progress in Meeting the Mission and Goals Described in the 5-Year Plan

(Provide a statement of the PHA's progress against the goals and objectives established in the previous 5-Year Plan for the period FY 2000 - 2004.)

In the first 5-year planning period the Housing Authority of Washington County attained and held a 100% score in its SEMAP rating. Likewise HAWC has attained high-performer status in its administration of the low-rent public housing program.

New elderly housing developments were completed in Hancock (24 units), Williamsport (36 units) and at the east edge of Hagerstown (where 120 new tax-credit units were created).

In the management of the Section 8 program we were successful in fully leasing the program, in fact leasing more than our base-line number of units. In FY2004 we successfully brought this over-leased situation under control. We continued our management of the programs in a fair and even-handed manner, being called on to hold appeals or grievance hearings on only two occasions in the plan period.

In the last 12 months over \$37,000 in escrow payments have been returned to two public housing FSS graduates, one of whom used the proceeds to purchase a home in the City of Hagerstown. Since 1999 four graduates have used public housing FSS program escrow balances to purchase homes. The Authority is very proud that a program with only 24 family units can continue to produce new homeowners at such a pace.

a. Substantial Deviation from the 5-Year Plan

*Changes in rent or admissions policies
demolition or conversion of units
changes to the homeownership program
designation of units not covered in this plan
or organization of the waiting list.*

b. Significant Amendment or Modification to the Annual Plan

Adding items to the capital plan or the current work program for non-emergency purposes which will cost in excess of \$25,000.
